

2008 TEN HUNDRED CLUB REPORT

The Purpose and History of the 10/100 Club

We are members of the United Methodist Church, Stillwater District. Anyone attending a United Methodist Church located in the Stillwater District is eligible to become a member. Ten Hundred Club members combine their annual dues to support the mission work of the district by supporting the needs of our district churches.

We have come to the aid churches in our district by assisting with roofing projects, handicapped-accessible ramp building, fire damage, weather damage, and educational support to ministers.

In the 1970's, a group of Methodists in the Stillwater District felt the need to have a fund available for helping United Methodist churches within our district. The concept of the Ten Hundred Club was established with stockholders as members. Each member pays annual dues and the funds are kept in a bank account to be available as a need arises. There has been tremendous support for this club throughout the past 30 years.

2008 10-100 Club Report District Conference December 7, 2008

How to Become a Member

To join or become a stockholder in the Ten Hundred Club, you need to complete a membership form and pay your annual dues of \$20 per membership. Checks should be made payable to "Ten Hundred Club". You may purchase as many membership stocks as you wish. We need many single members each year. There is no longer a lifetime membership available.
